

OUR GUARANTEE TO YOU

Money Back Guarantee

We want you to be completely satisfied with your decision to join us. If, for any reason you are not totally happy within 30 days from the date your insurance becomes effective with us, I want you to write and tell us. We will cancel your policy and gladly refund the unused premium you paid-no questions asked. No hard feelings, either. All you need to do is sign your name and write, "cancel" on the policy declaration page, sign, and mail it back (we must receive it within 30 days). The offer is void if any claims have been, or are to be made under the policy or if there was any misrepresentation on any application.

On the other hand if **Absolute Insurance Brokers Protection Programs** produce incredible results for you, we want you to not only write and tell us about it-but tell your colleagues, friends and family too!

Continuing Guarantee

After the first 30 days of a relationship with us, your total and continuous satisfaction is of paramount importance to us. So, if you should change your mind for any reason thereafter, we want you to write and tell us. We will cancel your policy as of the date we receive your letter and refund the full amount of the unused premium to you-no questions asked. All you need to do is sign your name and write, "Cancel as of (include date)" on the policy declaration page and mail it to us with your letter.

No Pressure No Hassle Promise

Our goal is to take the hassle out of buying insurance. We want to educate you on what you are buying and let you make an informed choice from there. Since your insurance program is such an important part of your financial well being, we want you to understand completely the coverage you have purchased and what it will do for you. Our promise that we will never hard sell you insurance, use sneaky sales techniques, or pressure you into making a decision. We even promise to tell you if you are getting a better value with your current company!
